ABOUT US

Quincy Animal Shelter is primarily a volunteer-run organization. The Shelter relies completely on our volunteers and the community for support. Incorporated in November 1999 as a non-profit Massachusetts charity, we are also a recognized charity under Section 501(c)(3) of the Internal Revenue Service code. Since 1999, Quincy Animal Shelter has placed more than 7,500 cats and dogs into loving homes throughout New England. We are committed to finding the right home for every adoptable animal in our care. Every animal receives age-appropriate vaccinations, is spayed or neutered and micro-chipped before being placed in its forever home. Delivering this type of care involves many volunteers, an active and dedicated management, and a lot of money. Our annual budget runs approximately \$250,000 in order to provide services to the animals in our care and serve the continuous needs of our growing community.
